JAN 22 1978

MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Communications

25X1A

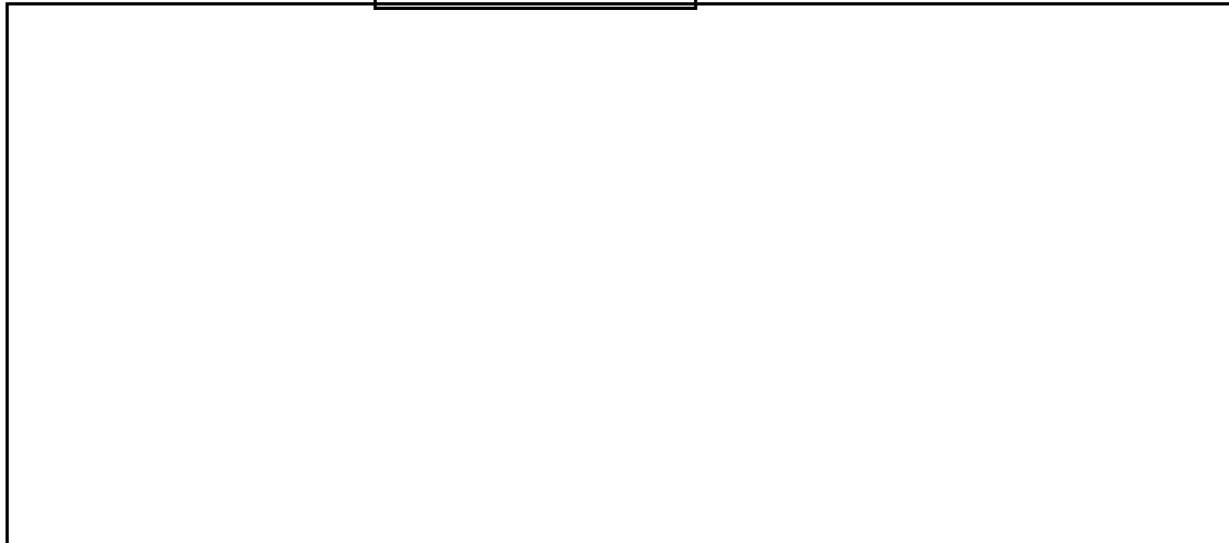

1. It would be desirable, if possible, to establish communications from our [] alternate communications center with the emergency locations planned for:

- a. The White House
- b. The National Security Council
- c. The Secretary of Defense

2. It is requested that these locations be ascertained and authority be obtained to establish communications with such locations.

25X1A

3. a. Communications are now being established on an emergency stand-by basis []

25X1A

4. Separate action is being taken to determine appropriate arrangements with the Department of State.

MURRAY McCONNEL
Deputy Director
(Administration)
